A Maycember to Remember

Have you heard of 'Maycember'? It is a trending term that refers to the chaos and stress of December, but during the month of May. It's especially relevant in the education world, where students, parents, teachers, and staff all feel the heat as end-of-school-year activities abound: exams, papers, concerts, awards, senior nights for athletics, banquets, prom, graduations, confirmations, parties... the list goes on.

Was May crazy at Lutheran High? Absolutely! But May also provided many opportunities to celebrate the God-given talents of our students, particularly the Class of 2024 graduates. In the fall of 2020, these students began their high school experience in the midst of the COVID pandemic, socially distancing and masking up, making the most of their freshman year. Four years later, they went out with a bang, earning an astounding \$1.97 million in scholarships for higher education. Of the 49 graduates, 46 will be attending tech schools, colleges, or universities, with several intending to pursue church work as educators or musicians.

Regardless of the next path they have chosen, it is our prayer as a faculty and staff that each graduate feels prepared for lives of Christian leadership. When asked to reflect on their experience at Sheboygan Lutheran High, here is what a few new Crusader graduates had to say:

The Crusader Class of 2024 celebrates with silly string at the commencement service.

"Lutheran High has prepared me to stand up for my faith, love and serve my neighbor in all vocations, and be a kind and compassionate Christian leader." - Peyton Roethel

"LHS has prepared me to really understand how to hone my God-given abilities and best use them in the world that God has laid out for me." - Ryan Lindsey

"Lutheran High has trained me in many ways to be ready to go out into the world and spread the light of Christ to everyone around me." - Asa Diener

Adios & Hola!

There are some changes to our Spanish department for the 2024-2025 school year. After her June wedding, Karissa Ternus will be moving to Green Bay to start her married life there. We thank her for two years of ministry at Sheboygan Lutheran, teaching Spanish 1-4, Personal Finance, and Girls' Health.

We're excited to announce that Mrs. Stephanie (Cox) Schulz has accepted the position to teach Spanish beginning this fall. Stephanie is a 2009 graduate of LHS. She has 11 years of teaching experience, most recently serving as Spanish teacher and varsity volleyball head coach at Racine Lutheran High School. We look forward to welcoming Mrs. Schulz and sharing more information about her as she relocates to Sheboygan.
