NEW ROLES FOR FAMILIAR FACES

The summer months offer a welcome opportunity for rest, reflection, and preparation at Sheboygan Lutheran High School. This season provides our students, families, and staff with a valuable chance to recharge, spend time with family, and prepare for the upcoming academic year. While the campus is quieter during these months, it remains a busy time of planning and anticipation for the school year ahead.

A key strength of Sheboygan Lutheran is our dedicated team of returning faculty and staff. Their ongoing commitment to our students and our core mission of "Preparing Christian Leaders - One Student at a Time" ensures a stable, supportive, and faith-filled learning environment. We are deeply grateful for their experience, leadership, and the continuity they bring to our classrooms and extracurricular programs year after year.

To support our continued growth and maintain high standards in both academics and student life, we are pleased to announce several administrative updates and new roles for the upcoming school year:

Heidi Krueger – Admissions and Marketing Director

Heidi will lead our admissions department, serving as the primary point of contact for prospective families. She will guide new students through the inquiry and enrollment process, helping them transition smoothly into the Sheboygan Lutheran community.

Ryan Adameak – Curriculum and Instruction Specialist

In this role, Ryan will focus on academic development. He will work closely with our faculty to support curriculum design, implement effective instructional strategies, and ensure our academic programs remain robust and faith-integrated.

Al Holzheimer – Athletic Director and Dean of Students

Al will continue his established work leading our athletic programs and student services. Additionally, his role will expand to include student discipline, where he will focus on maintaining a fair, structured, and supportive environment that encourages personal growth and accountability.

Our entire faculty and staff can't wait to welcome students back to campus on August 20th! There is an incredible buzz of energy heading into the 2026–2027 school year, with many improvements and new projects on the horizon, and we are thrilled to get started. But first - make sure to soak up and enjoy every last bit of your summer break!

For Him,

Matthew Tschudy
Executive Director

"Therefore, as you received Christ Jesus the Lord, so walk in him, rooted and built up in him and established in the faith, just as you were taught, abounding in thanksgiving."
